Energy Savings & Interior Comfort

5500 windows feature an energy-efficient insulating glass unit with ProSolar® Low-E glass, Argon gas and an Intercept® spacer. Customize your glass package with specialized ProSolar Low-E glass and advanced glass options to optimize performance where you live. Additional glass options are available to enhance security, acoustics, privacy and fade protection.

- TRIPLE-PANE GLASS**
- DOUBLE-STRENGTH GLASS**
- SOUND & SECURITY GLASS**
- SAFETY TEMPERED GLASS**
- PRIVACY OBSCURE GLASS**
- MISSILE-C COASTAL IMPACT PROTECTION**
- TINTED GLASS**

Select 5500 window styles with triple-pane glass have been recognized as Most Efficient by ENERGY STAR® in 2023.

Exceptional Quality

Award-winning 5500 windows feature fusion-welded vinyl construction with multi-chambered frames to provide durable, weathertight protection from the elements. Intentional design features enhance your window's performance, convenience and operation. For added peace of mind, we stand behind the quality and craftsmanship of our windows with a comprehensive warranty covering our vinyl, hardware, screens and glass units.

- 1** Protect your home from air and water intrusion with our innovative overlapping and interlocking Lap-Lok® meeting rail.
- 2** Easily clean your windows from inside your home with tilt-in lift-out sash.
- 3** Enjoy safer ventilation with dual Air Loks™ that limit the window opening while providing fresh air.
- 4** Convenient contoured lift rail is molded into the sash for lifetime durability.
- 5** Smooth and consistent operation is provided by the 3/4" stainless steel coil balance system.
- 6** Effectively move rainwater away from your home with our exclusive triple-stepped, sloped Simonton Sill®.

Please note that certain styles and options may have exclusions, visit Simonton.com/5500 or speak with a Simonton representative for complete details.
