

The Simonton 5500 Collection Windows & Inovo® Patio Door Now Features Black Interior and Exterior Color Options.

These **new color** options are applied using an industry-leading color lamination technology, that will retain its color and character in any climate, year after year.

The new Black laminate color options offer:

- All season durability
- Complete, consistent coverage
- Resists scratches, scrapes and scuffs
- Withstands heat and cold
- Easy to clean
