Type of Support:

## Simonton ProNetwork

A contractor loyalty program that delivers rewards, training, leads, and more. Contractors who are enrolled receive points for orders they place, which can be used to purchase additional marketing tools or other items. Being enrolled in ProNetwork also allows contractors to learn more about Simonton products and services as well as receive leads through placement on Simonton's 'Where to Buy' web page.

### What Simonton ProNetwork supports:

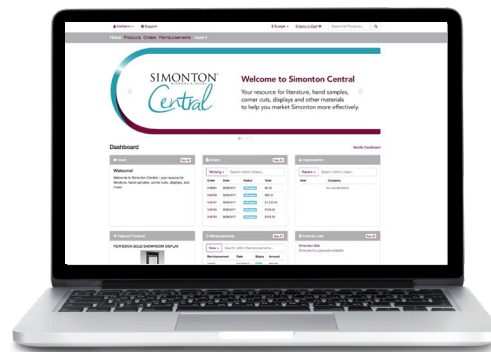

- Contractor program that allows contractors to earn points on their purchases, access to homeowner leads, marketing tools, training and financing

### When it should be used?

For contractors that are selling Simonton products.

### NEED HELP?

Contact: [ProNetwork\\_Rewards@simonton.com](mailto:ProNetwork_Rewards@simonton.com)

Type of Support:

## Simonton Central

Simonton Central was created to help service customer needs or ordering displays, samples, literature, apparel and managing the Simonton Co-Op/Premium funding and submission process. Access to the site can be found through Simonton Online.

### What Simonton Central supports:

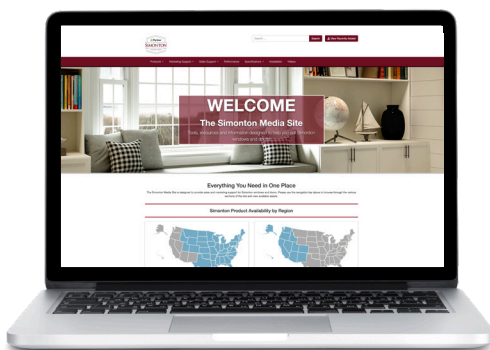

- Ordering marketing assets, such as: displays, samples, literature, apparel
- Managing branch Co-op Funding
- Submission & approval process for Co-op & Premium requests

### When it should be used?

For branches looking to order Simonton marketing assets, or utilize Co-op/Premium funds.

### NEED HELP?

Contact: [simontoncentral@irisnow.com](mailto:simontoncentral@irisnow.com)

Type of Support:

## Simonton Marketing Support Website

The new marketing support website contains product and warranty information, photography, windows training, electronic marketing materials, and more. Visit [marketing.simonton.com](http://marketing.simonton.com). No password or username is required.

### What Simonton Marketing Support website supports:

- Tools to quickly find information on products, warranties, electronic marketing, on-line training and more

### When it should be used:

- To enhance product knowledge, or for Simonton electronic assets.
